DESCRIPTION

The Lukmanier region is traversed by 180 km of hiking trails. About 70 km of these have been chosen as nature trails, allowing visitors to discover the natural wonders of this beautiful region.

From Campra's Nordic Skiing Centre, cross the Campra Plain following the Brenno river. Go up to Böcc di Scar and continue towards Pian Segno until you get to Acquacalda. From here go up to Croce Portera, reach Dötra and go back to Campra, passing through Bollette.

Montagnepulite: This project was born to promote an effective management and sustainable use of mountain huts in Ticino, and in particular the litter management. The responsible management of litter in the mountains is a matter of common sense.
