Montagnepulite: This project was born to promote an effective management and sustainable use of mountain huts in Ticino, and in

- particular the litter management. The responsible management of litter in the mountains is a matter of common sense. We can all contribute: <https://www.montagnepulite.ch/en/golden-rules>

The route follows a logical line linking a number of ridges. It starts from Tesserete and goes all the way to Monte Brè, above Lugano. An excursion which can be spread out over several days, staying overnight along the route at the places listed below, in order of arrival:

- > Agriturismo Alpe Zalto
- > Agriturismo Alpe Rompiago
- > Capanna Monte Bar,
- > Capanna San Lucio/Rifugio San Lucio
- > Capanna Pairolo
- > Alpe Bolla

The entire route is marked by fixed signage with yellow signs showing the event logo against a greenback background. In any case, for safety's sake we recommend taking the route map with you. [www.ti-sentieri.ch](http://www.ti-sentieri.ch)
