DESCRIPTION

A beautiful walk through the woods, in the sunny village of Carì, leading to the Alla Meta farmhouse, where you can taste excellent local products.

This flat itinerary begins at the departure station of the ski lifts in Carì, a village in the Media Leventina constantly kissed by the sun.

After passing Prodör, it continues through the suggestive spruce and scots pine woods of the Faura di Düsбина. Once in Predèlp, after a stop at the Agriturismo Alla Meta - which offers local products from the Azienda Agricola La Parpaiora farm - the route returns to the starting point.
